What kinds of data will Spirion find?

Q: What kinds of data will Spirion find?

Answer

Spirion by default will find the following data:

- Social Security numbers
- Credit card numbers

However, if your business area handles other types of data, policies can be set so that scans can pick up additional types of data, including:

- Password Entries
- Bank Account Numbers
- Driver Licenses
- Dates of birth
- Phone numbers
- E-Mail addresses
- Personal Addresses
- Passport Numbers
- Health Info
- Canadian SIN
- Australian TFN
- United Kingdom NINO
- United Kingdom NHS
