Overview

This article discusses how to access/obtain, troubleshoot and learn how to use Microsoft Products available through the Campus Agreement with Microsoft that MIT has.
Microsoft Products licenses are available at no cost to MIT departments, faculty, staff, and students. MIT departments may install this software on any MIT owned computer, provided that it will only be used by current MIT students, staff or faculty for MIT purposes only

How to Obtain

To download the installer, go to IS&T's Microsoft Campus Agreement for MS Office Professional download site [Certificate Required].
