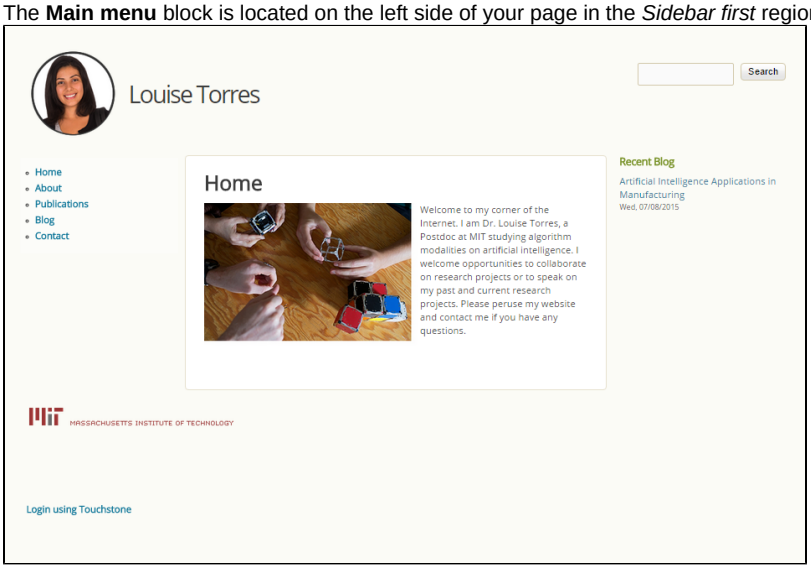
Creating a Horizontal Menu

Creating a Horizontal Menu

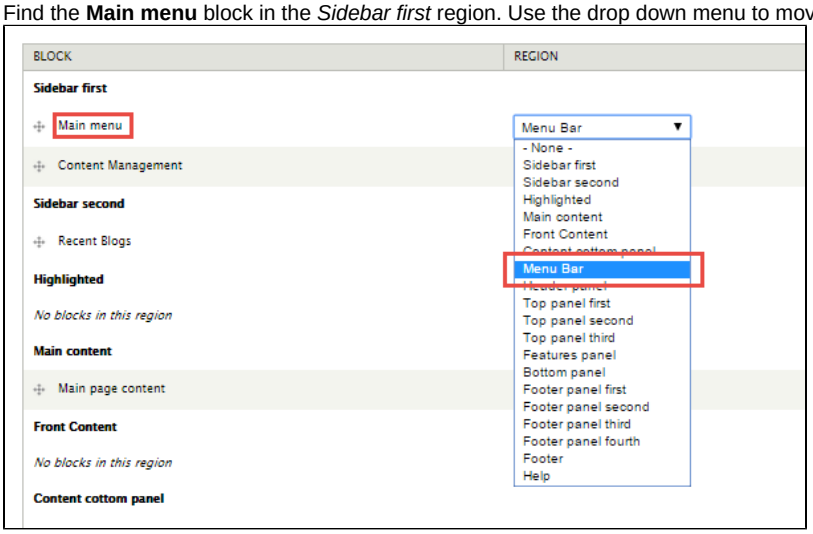
The **Main menu** block is located on the left side of your page in the *Sidebar first* region. It is a vertical list of links to your pages.



By moving the **Main menu** block to the *Menu bar* region it will be located at the top of your page and will display as a horizontal list.

Moving the Main Menu Block

1. Click **Structure** then **Blocks** on the *Admin menu*.
2. Find the **Main menu** block in the *Sidebar first* region. Use the drop down menu to move the block to the *Menu bar* region.



3. Click **Save**.
