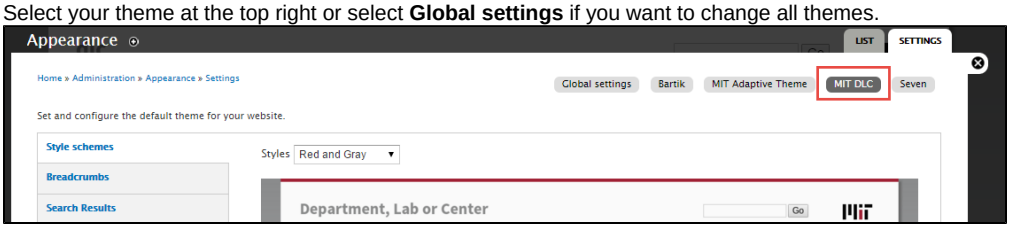
How can I remove the site name or slogan?

Question: How can I remove the site name or slogan?

Answer:

1. Click **Appearance**, then **Settings**.
2. Select your theme at the top right or select **Global settings** if you want to change all themes.



3. Find the section named *TOGGLE DISPLAY*.
4. Select or deselect the items to show or hide.
5. Click **Save configuration**.
