MIT IPTV Service - XFINITY On Campus

Availability
This service is only available to MIT Students who reside on campus. Due to Comcast restrictions in the Boston area, residents of Boston FSILGs are not eligible to use Xfinity On Campus.

Overview
XFINITY On Campus™ is a quick and convenient way to watch live TV from your Mac and PC. Through special agreement between MIT and Comcast, we are offering the use of the XFINITY® IPTV application to students on campus in lieu of a traditional cable box or antenna. XFINITY On Campus™ is available to MIT students who are residing on campus and accessing the service from the MIT Network.

For Full information about the XFINITY On Campus™ service, please visit https://xfinityoncampus.com/

How do I access XFINITY On Campus™ on my computer?

Make sure you're on campus and connected to the MIT Ethernet or MIT WIFI (MIT GUEST or VPN does not work).

1. Go to http://xfinityoncampus.com
2. From the Login drop down select your university.
3. Authenticate via Touchstone with your MIT username and password.
4. Accept the Terms and Conditions when prompted.
5. Once authenticated you are now in the XFINITY On Campus™ portal, click on the "Watch Now" button. This will launch the XFINITY On Campus™ player.
6. From the Login drop down select your university again and click on "Go"
7. Begin using the XFINITY On Campus™ player immediately.
