Subject: MIT Kerberos account deactivation notice

Good day,

This is to notify you that your MIT computer account, $user@mit.edu, is scheduled for deactivation on or shortly after January 23, 2020.

For details about this process, including steps to take before deactivation, please see the MIT Kerberos Account Deactivation FAQ. Information Systems and Technology (IS&T) strongly encourages you to back up your email, Dropbox and G Suite files, and the contents of your Athena home directory before your account is deactivated.

Please see the MIT Kerberos Account Deactivation FAQ for answers to common questions. If you have additional questions or need assistance, email servicedesk@mit.edu, or call IS&T's 24/7 support line at 617-253-1101.

Note: This email is not a phishing scam. A copy of this message is available at http://kb.mit.edu/confluence/display/istcontrib/Deactivation+email.

Sincerely,

Matthias Thorn
