Overview

Piazza is an online, wiki-style question and answer platform for instructors and students. View a Demo of Piazza here.

The full suite of documentation can be found here, or use the links below to get directly to a specific topic.

How to Use

Getting Started

- Create a Class
- Enroll Students
- Enroll Fellow Instructors or TAs

Quick Start Videos for Instructors

- Setting Up Your Class
- Announcing Piazza to Students
- Posting Your First Note
- Organizational Tips with Folders

Course Page

The Course Page is where you can edit course information, add a syllabus, resource files and links, post an announcement, or post office hours.

- Edit Course Information or Add a Syllabus
- Add Resource Files and Links
- Post an Announcement
- Post Office Hours

Q&A Options

- Post a Note
- Post a Question
- Post a Poll

For additional documentation on the Q&A features, see Q&A - Instructors.

Additional Documentation
Resources for Students

Getting Started

- Enroll in a Class
- Account/Email Settings

Q&A Options

- Post a Question
- Post a Note
- Post a Private Note

For additional documentation on the Q&A features, see Q&A - Students.

Have Questions or Still Need Help?

Sign up for Virtual Sessions with the Piazza team here
