Enlarging font sizes in Safari

Q: How do I enlarge the default font size of Safari?

Answer

To increase the default font size of Safari:

1. Click Safari in the upper left hand corner.
2. Select Preferences...
3. Click the Advanced tab.
4. The top line is “Universal Access.” Select your default font size.
   (Note: This will not change the font size of the search bar or tabs.)

To manually increase the font size of any webpage: Press the “Command” and “+” buttons at the same time
