I can't find Copy and Paste in SAPgui

I can't find Copy and Paste in SAPgui

Answer

In most screens of SAPgui, there is not an Copy and Paste options in the Edit menu.
However, you can use your operating system's copy and paste features.

Macintosh

Use **command-c** to copy and **command-v** to paste.

Windows

Use **ctrl-c** to copy and **ctrl-v** to paste.
