# How do I report a Knowledge Base problem?

## Q: How do I report a Knowledge Base problem?

- How do I report a Knowledge Base problem?

## Context

- The knowledge base

## Answer

For now send email to kb-help@mit.edu. We're working on a more sophisticated set of web forms. Email to kb-help@mit.edu will create a ticket in Request Tracker (RT) in your name to allow you and the Knowledge Base team to track the issue, suggestion, or request.
