

Reset MIT LastPass master password

Reset MIT LastPass master password

- If you have the [LastPass plugin](#) installed in your browser, you may be able to reset your password yourself by following [these instructions from LastPass](#)
- If you do not have the LastPass plugin installed, the IS&T accounts team may be able to reset it for you pending ID verification. Please contact servicedesk@mit.edu or call 617-253-1101.
- If you have deactivated your account, a MIT IS&T LastPass administrator can reactivate it for you. [Contact IS&T](#) for assistance.
- You can also find more information about recovering lost master passwords on the vendor website, [here](#)
