

# Icon colors and design in SAPGui 7.50 rev 8

## Icon colors and design in SAPGui 7.50 rev 8

### Issue

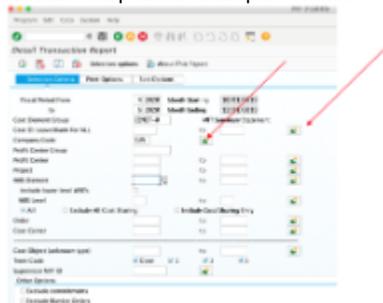

Icon colors and design appear less vibrant in SAPGui 7.50 rev 8 for Mac in comparison to SAPGui 7.40 rev 2.

Please note that the icon design and color changes in transactions in SAPGui 7.50 rev8 for Mac are changes only to the look and feel of the screens, and do not reflect any differences in functionality.

### Context and Example

Selection icons in transaction ZDTR in SAPGui 7.40 rev 2 appear brighter, with contrasting green and gold elements.

Red arrows point to examples of these icons below.

Selection icons in transaction ZDTR in SAPGui 7.50 rev 8 are less vibrant, lacking the deep green tone to contrast with the gold arrows.

Red arrows point to examples of these icons below.
