

MIT Zip Car Accounts

MIT Zip Car Accounts

- Personal Memberships For Students and Staff
 - Visit <http://www.zipcar.com/mit>

Prerequisites

1. Must be 18+
2. Valid Driver's License
3. Credit Card

If you're under 21 years of age...

Zipcar restricts the set of cars that are available to you. You can't choose an arbitrary car from an arbitrary location; they'll present you with a set of cars for which you are eligible. If you try to choose a car outside that set, you'll be presented with an error message explaining that you are too young to rent from that location.

Registration

1. On your browser, visit <http://www.zipcar.com/mit> and select join now.

The screenshot shows the Zipcar website interface. At the top, there's a navigation bar with the Zipcar logo and a 'sign in' button. Below the navigation bar, there are tabs for 'for everybody', 'for business', and 'for universities'. The main content area is divided into two columns. The left column features a large image of a red Zipcar car with the text 'drive zipcars by the hour or day' and 'Now more Zipcars available on campus.' Below the image, there's a section titled 'students join for only \$15!' with a sub-header '(you save \$10, thanks to ford!)'. The right column has a 'join now' button with a dropdown menu. The dropdown menu has four options: 'For Students' (I'm a MIT student, join now), 'For Faculty & Staff' (I'm MIT faculty or staff and I'd like to use Zipcar for personal driving, join now), 'For Departments' (I'd like to open a new account for my department, sign up; I'd like to join my department's existing Zipcar account, search now), and 'For Community Members' (I'm not affiliated with MIT, but still want to use Zipcar, join now).

2. Create a profile.
 - Choose an available username.
 - Enter your email and password.
