Who can update the position title that is displayed in the MIT Directory?

Who can update the position title that is displayed in the MIT Directory?

- For fields that are not editable in Atlas, such as position title, contact the HR administrator for your Department, Lab or Center.
- If you need assistance contacting finding the administrator with the correct access rights, contact the IS&T Service Desk
- If you are an administrator, needing to submit a title change for an employee, see: As a DLC administrator, how can I make changes to a position title for an employee?

Service Desk consultants and Central Admins, see: [se:Find which administrator will have access rights to update personal information]
