How do I forward my departmental email (Example jdoesloan.mit.edu, jdoecsail.mit.edu) to my MIT email address?

Q: How do I forward my departmental email (Example jdoesloan.mit.edu, jdoecsail.mit.edu) to my MIT email address?

Answer

You must contact your department's internal IT Help Desk. If you are unsure of who to contact internally, you may contact Accounts for assistance in identifying your appropriate local IT resource.
