

# Do I need an MIT Kerberos account username?

**Q: Do I need an MIT Kerberos account username?**

## **Answer**

Yes, you will need an MIT Kerberos account username. Once you have your MIT ID, you can register online for your [Athena User Account](#) that provides your username. If you have questions or need assistance, contact the Business Liaison Team by e-mailing [business-help@mit.edu](mailto:business-help@mit.edu).
