## Context

Users who need to renew their I-9 using the MIT Electronic I-9 form on <https://hr.mit.edu/i-9>, are unable to login. The message "Your SSO is being authorized" appears across the screen then take you to another page asking if you want to logout.

## Answer

This is not a technical issue with the site, it means that you already have an I-9 currently on file. To renew your I-9, please contact [I-9@mit.edu](mailto:I-9@mit.edu).
