What is a JV Upload?

What is a JV Upload?

This documentation refers to the Atlas Online Gateway. You can access Atlas at https://atlas.mit.edu/

- The new Journal Vouchers application includes a JV Upload feature. You can upload a XLSX document from Microsoft excel that will
 populate the line items and details of Create JV. For more information, please see the JV Upload section of the Create a Journal
 Vouchers help documentation page or review the JV Resources tab in Atlas.
