## How can I add an Institution or field of study to Atlas?

### Question

I am trying to update my personal information, and to enter Educational History data. The country, field of study, or institution at which I studied is not available. What can I do?

### Answer

Contact the IS&T Service Desk at x3-1101 or [servicedesk@mit.edu](mailto:servicedesk@mit.edu) to request that the institution or field of study be added to SAP.
