

How to delete voicemail messages

Q: How to delete voicemail messages

Unknown macro: {sylantro}

Answer

From your phone:

1. Dial into voicemail 30000
2. Enter pin password
3. Press 7 to delete message (during or after recording has begun)

*Please note you can only delete one voicemail at a time from your phone and sylantro.mit.edu

From Sylantro:

1. Log in to sylantro.mit.edu (using your phone number)
2. Select voicemail settings
3. Select a voicemail
4. Select the play key (arrow icon)
5. Select delete

To Cancel Voicemail:

Contact telephone-help@mit.edu
