# Does MIT Recommend using One Drive or Dropbox for Office 365 Mobile Apps

## Does MIT Recommend using One Drive or Dropbox for Office 365 Mobile Apps

For MIT data, IS&T recommends signing up for the MIT dropbox team according to instructions at How do I request an MIT Dropbox account?

The MIT's Dropbox for Business team accounts allow for easier file sharing between MIT community members.

IS&T does not recommend storing data on Microsoft One Drive accounts unless necessary (Windows RT).
