

DHL shipping, account number for prepaid return label

DHL shipping, account number for prepaid return label

Question

I would like to include within the package a fully paid return shipping label, so that the package recipient will be able to return the package. What is the MIT account number needed to place that order with DHL?

Answer

The International incoming account number is 960153730. Please be sure to also include your departments cost object in the shipper's reference field.
