How can I send mail to all students

Q: How can I send mail to all students

I want to send a super-cool announcement to all students.

Or maybe only send to all students in one class/year.

It's super-cool, they're guaranteed to love it!

Answer

Mail to large groups of students is authorized through the office of the Dean for Undergraduate Education - get in touch with DUE and ask how to get permission to send large group email like this.
