

RT tickets and email notification

RT tickets and email notification

Question(s)

- I have created an RT ticket in a queue. Will anyone get an automatic email message? Who will get an email message?
- I have moved an RT ticket into a queue. Will anyone get an automatic email message? Who will get an email message?

Visit these articles to find out:

- [Who receives email notification during Ticket progress?](#)

Context

Tickets and queues in RT on help.mit.edu

Solution

The process is a bit slow, but if you have the ability to view the "Configuration" tab (<https://help.mit.edu/Admin/Queues/>), you can click on each queue in question and look at that queue's Watcher list. Watchers may be individual email addresses (Example 1) or mailing lists (Example 2).

Example 1

Modify people related to queue Software::Mobile Devices

Current watchers
Cc:

- none

Administrative Cc: *(Check box to delete)*

- ☐ irishman
- ☐ andrewyu
- ☐ amunch

Reset

New watchers
Find people whose
