How do I access the FRC application?

How do I access the FRC application?

Access through **Atlas (Reports > Finance > FRC Monthly Review Application)** or by visiting http://frc.mit.edu.

Return to Financial Review and Control (FRC) Application FAQ

What if after logging in I'm not able to run a report?

One common issue that prevents someone from running a report is because their data warehouse (Oracle) password has expired

To change your password to the Data Warehouse, do the following:

1. Obtain MIT Web Certificates
2. Proceed to Change Your Data Warehouse Password
