I worked as an MIT temporary employee via **PSG** – **Professional Staffing Group** – and need a copy of my pay stubs and W-2 forms. How do I get them?

Answer

MITemps employees

- Visit https://ipay.adp.com
- Log in with your existing account information to view your W-2 or pay stubs (or create an account as directed). This is an account you created with NextSource, not one of your MIT accounts. If you don't recall your Password or ID, the page will guide you to reset them.
