What can MIT LastPass admins do with my account?

Q: What can MIT LastPass admins do with my account?

Answer

IS&T depends on a small number of admins for the MIT LastPass Enterprise service to manage the day-to-day business of the account.

What can MIT's LastPass admins do?

MIT LastPass admins can:

- create new accounts
- suspend accounts
- deactivate accounts
- delete accounts
- create policies
- view reporting
- reset your Master Password (after verifying identity)

What can't MIT LastPass admins do?

- view data in active or deactivated LastPass accounts
- view your Master Password
- retrieve or recover your Master Password
- share folders or links
- edit shared folders or links
