

Office 365 - Email and Calendaring - iOS Configuration

Office 365 - Email and Calendaring - iOS Configuration

Configuring your iOS account for O365

1. Go to **Settings > Mail, Contacts, Calendars**
2. Select **Add Account**.

3. To configure for O365, Select **Exchange** from the list of account types.

4. Enter your full mit email address **username@mit.edu**, password and an account description. Click **Next**.

5. You are prompted to select the accounts you want to use with this account. Select them, then click **Save**.

Result: Your Exchange account will be set up and you will be able to access your mail and calendar from the Mail and Calendaring app normally.
