Firefox Landing Page

On this page:

Overview

Mozilla Firefox is a free and open source web browser.

Key Features

- Private Browsing that erases history and cookies, and protects you from third-party tracking.
- Sync across multiple smartphones, tablets, and computers to access bookmarks and saved passwords.
- Share your browser to collaborate securely with Firefox Hello.

How to Obtain

To download Firefox, visit the IS&T Firefox page.

How to Use

- Create a new Mozilla Firefox Profile
- Firefox - Set a Master Password
- Firefox Help and Tutorials
- Mozilla release notes

Troubleshooting and FAQ's

Functions and Usage
