

I-9 form login issue

Q: I am unable to login to the MIT electronic I-9 form to renew.

Context

Users who need to renew their I-9 using the MIT Electronic I-9 form on <https://hr.mit.edu/i-9>, are unable to login. The message "Your SSO is being authorized" appears across the screen then take you to another page asking if you want to logout.

Answer

This is not a technical issue with the site, it means that you already have an I-9 currently on file. To renew your I-9, please contact I-9@mit.edu.

Additional Resources

The online form is located at: <https://hr.mit.edu/i-9>
