MIT Zip Car Accounts

- Personal Memberships For Students and Staff
 - Visit <http://www.zipcar.com/mit>

Prerequisites

1. Must be 18+
2. Valid Driver's License
3. Credit Card

If you're under 21 years of age...

Zipcar restricts the set of cars that are available to you. You can't choose an arbitrary car from an arbitrary location; they'll present you with a set of cars for which you are eligible. If you try to choose a car outside that set, you'll be presented with an error message explaining that you are too young to rent from that location.

Registration

1. On your browser, visit <http://www.zipcar.com/mit> and select join now.

The screenshot shows the Zipcar website interface. At the top, there's a navigation bar with the Zipcar logo, a 'sign in' button, and tabs for 'for everybody', 'for business', and 'for universities'. Below this is a green banner with 'MIT' on the right. The main content area features a large image of a red Ford car with the text 'drive zipcars by the hour or day' and 'Now more Zipcars available on campus.' Below the image, it says 'students join for only \$15!' and '(you save \$10, thanks to ford!)'. To the right of the car image is a 'join now' button. Below the car image, there's a section for 'For Students' with a 'join now' link. Below that is a section for 'For Faculty & Staff' with a 'join now' link. Below that is a section for 'For Departments' with a 'sign up' link. Below that is a section for 'For Community Members' with a 'join now' link.
