

When do I change my Sloan EFL forwarding (destination) address?

Q: When do I change my Sloan EFL forwarding (destination) address?

Answer

Current Students now change their Sloan EFL forwarding address and other Sloan profile information using MySloan in Sloanpoint. To access MySloan, click on "Welcome [yourname]" at the upper right corner of Sloanpoint. MySloan is the last option in the dropdown menu.

Sloan Alumni will continue to change their EFL destination address and other profile information in the Sloan Alumni Directory.
