How do I request a Quick Base account in order to build applications?

How do I request a Quick Base account in order to build applications?

Attention IS&T Helpdesk Consultants
• If a user has already contacted the Help Desk or IS&T Field Support with their request for access, create a ticket and assign it to Ops Triage.

MIT has a centralized license for a limited number of Quick Base applications. If your Department, Lab or Center is interested in building a Quick Base application, please contact quickbase-support@mit.edu.
