## Add MIT Learning Center and Web Course Vendors as Trusted Sites in Chrome & Edge to Open Course Links

### How to Add Trusted Sites

Re-install CertAid (recommended)

1. Download the latest version of CertAid: <http://ist.mit.edu/certaid>
2. Run the installer, selecting **Configure Internet Options**.
3. When CertAid completes, close all browser windows, then relaunch.  
*Result:* The MIT Learning Center is added as a Trusted Site.
