

How long will course materials stay online? What kind of access will instructors or students have to an older Stellar class site?

How long will course materials stay online? What kind of access will instructors or students have to an older Stellar class site?

Currently, course materials will be available indefinitely but in read-only form. Access is restricted to admins, instructors and students who are listed in the membership section of the class during that term.

Note: Course materials become read only about a month and a half after the end of a semester. Restricted materials are only available during the timeframe of the semester.

For Service Desk Consultants:

If this article does not resolve the issue, please gather the information listed on the [Stellar Recon page], mark the ticket **active** and move it to the Service Desk Escalations queue.
