

# **How can I edit a tuition reimbursement request after I've submitted it?**

## **How can I edit a tuition reimbursement request after I've submitted it?**

### **Question**

I made a tuition reimbursement request online, but I want to make changes to the request, such as changing the request amount. Is this possible?

### **Answer**

Once a request has been submitted online, it's not possible to edit it yourself. Changes should be submitted via email to [benefits@mit.edu](mailto:benefits@mit.edu).
