Prerequisites

1. Must be 18+
2. Valid Driver's License
3. Credit Card

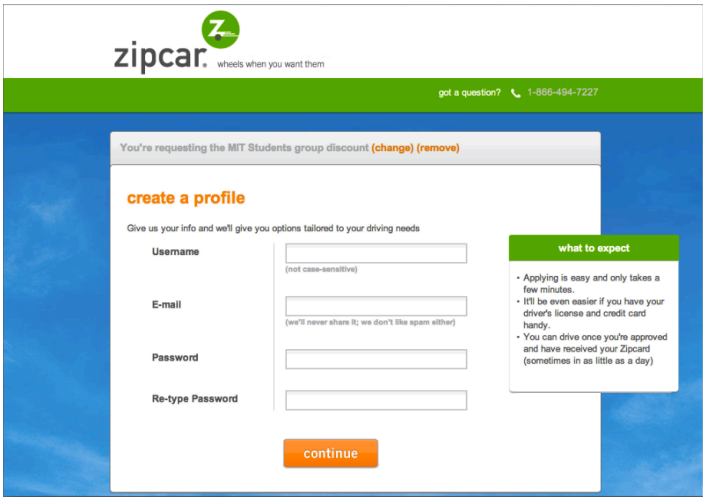

If you're under 21 years of age…
Zipcar restricts the set of cars that are available to you. You can't choose an arbitrary car from an arbitrary location; they'll present you with a set of cars for which you are eligible. If you try to choose a car outside that set, you'll be presented with an error message explaining that you are too young to rent from that location.
